My name is Carmen Garcia and I'm a student at King's School, which is a language school in Glasgow. I'm Spanish, I am from Madrid, but my mother is French. She's a teacher in Madrid. The students at King's School are from many different countries. I'm in a class which has students from Japan, Mexico, Germany, and Italy. It's really interesting to meet so many different people. The director of the school is British, but my teacher is American. She's from New York and her name's Helen. She's very nice and she's an excellent teacher. Her classes are always great fun. Jose and Karl are probably my best friends in the class. Jose is from Mexico and Karl is from Berlin, Germany. We always speak English together because that's the best way to learn.

Text 2

- Maria, where do you work?
- I work in a big shopping centre in Madrid. I am a telephonist.
- What do you do?
- My work place is a cubicle. It's very small. There is a chair, a computer and a telephone.
- It sounds very nice.
- No, it isn't. Anyway, basically I answer calls all day. I get calls from customers, but also, I have calls from suppliers about orders and deliveries.
- And do you like your job?
- Not really. The worst thing is that people think that I'm responsible for everything.
- What do people say?
- It's horrible! They are always complaining about things and shouting at me. It's awful! Of course, I can't hang up.
- Is it really hard?
- Yes. I suffer from stress. I really hate phone at home. It makes me jump sometimes. I want to disconnect it but my husband needs it for work.
- What are you going to do?
- I really don't know. I smoke too much. I can't sleep. And it's all because of phone.
